# Discover the beauty & durability of Quartz.

## INDOQUARTZ

INDOQUARTZ is a natural surfaces made with quartz and manufactured to the highest quality standards. The composition is 90% natural quartz and 10% other mineral, binders, and pigment. Durable and beautiful, INDOQUARTZ are perfect for kitchens, bathrooms, or anywhere you want elegance and performance.

## Clean & Safe

INDOQUARTZ are made with quartz and nonporous stones that protect the countertops from bacteria. INDOQUARTZ are safe for food preparation and for use in commercial and residential indoor spaces.

The rich texture, colors and clean design of INDOQUARTZ countertops blend practicality and elegance making your kitchen a showcase that you'll enjoy using every day.
